
Genie's 'Public Information' Newsletter

Public Information reports on important news relevant to our local area. There is no specific publication schedule, as it goes out 'as and when' the information justifies a newsletter. To comment on this or any Genie story, please email contact@genienews.org (no anonymous comments will be published).

An Extraordinary Parish Council Meeting (EPCM) will take place in Goring Village Hall at 7.30pm this Wednesday 13 September 2017. All are welcome.

The issues to be discussed relate to the offer of a new primary school for Goring and the Neighbourhood Plan (NP).

There will be an extended **Public Forum** so that attendees can share their views, as well as a **Q & A session**, so that individuals can seek clarification about the relevant issues.

Following presentations and the general discussion, the council will consider two motions put forward by councillors:

1. That the council agree to support the school to work through the process to get the best school facilities for Goring.
2. To consider, should the first motion be passed, whether that support would depend on the work being done outside the NP process, or to request that it be within the NP process.

Further details and the full agenda are available via this link:

www.goringpc.org/meetings/details.php?meeting=451

An audio recording of the meeting will be made, to enable people who cannot attend to listen to the full proceedings afterwards. The recording, organised by Genie News, will be available from the next day onwards via a link on the Genie website (www.genienews.org) to the YouTube channel.

PS: On Monday 11 September 2017, at 7.30pm, there will be a regular meeting of Goring-on-Thames Parish Council in the Bellême Room, Goring Village Hall.

Further details are available via this link:
