This issue reports a Skew Bridge road closure update.

### Skew Bridge road closure update A329 now to re-open on Monday 30 December

Further to the Genie Village Matters newsletter of 16 December, the **road closure is extended**.

There is a need to close the A329 for a slightly longer period due to uncharted buried utility cables that have been found in the area. This means the A329 will re-open on Monday 30 December.

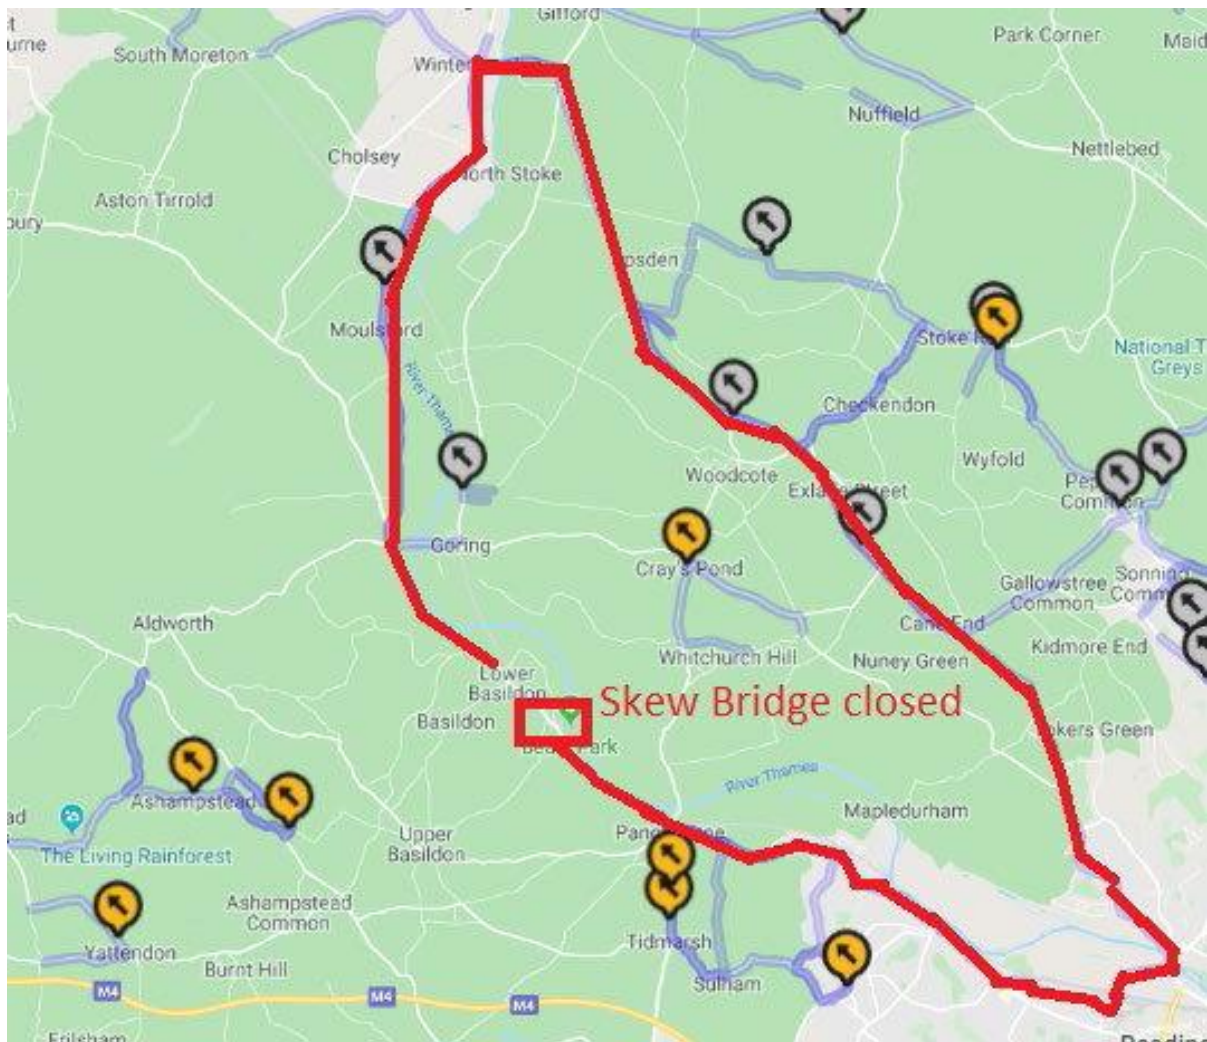

To recap, during the preparation phase, crews will be working during the day and occasionally overnight. Work will switch to 24 hour working on Christmas day, 25 December 2019, at 00:01am, but please be aware these dates may change.

Temporary traffic lights have been installed to replace the permanent traffic lights, this should have no impact on current traffic flow across the bridge and has been done to protect the work area from traffic.

**Please note that the road will be closed from 11pm on Christmas Eve, 24 December 2019 and re-opens on Monday 30 December 2019**, this is necessary not only for safety as the crane will be lifting sections of the bridge across the highway, but also to allow time to remove the uncharted buried utility cables that have now been found. The diversion map can be seen below.

If you have any additional questions or concerns about the work taking place in your area please call the dedicated 24-hour National Helpline on: 03457 11 41 41 or visit [www.networkrail.co.uk/contactus](http://www.networkrail.co.uk/contactus).

**Public Information** reports on important, or sometimes urgent, news relevant to a particular village or cluster of villages. There is no specific publication schedule, as it goes out 'as and when' the information justifies a newsletter. **If you have any important news or information you would like to submit to Genie for consideration, please email it to the editor using [news@genienews.org](mailto:news@genienews.org).**

If you like receiving this information and feel that others will benefit, **please forward to others** and encourage them to subscribe. Also, to ensure you consistently receive the e-mails it is suggested that you either 'whitelist' [subscribe@genienews.org](mailto:subscribe@genienews.org) or **add us to your contact list**.
