**Covid-19 Update No 4.** Information on the re-opening of play equipment areas in Goring and South Stoke plus a reminder of the help still available during the pandemic, with links to information from the three parish councils.

### Re-opening of Play Equipment Areas – Goring and South Stoke

Goring Parish Council is working hard to try to come to a decision on how and when to reopen the play equipment. At this time the play equipment areas will have to remain closed. The government guidelines are very onerous and after consultation with our insurers there is quite a body of work to do to allow

them to be re-opened including inspections and cleaning – at this time we are not sure when it will be practicable to re-open them unless the government regulations are relaxed.

The Recreation Ground in South Stoke is facing similar challenges.

## Call the Helpline – we are still here to support you

on 01491 525 639 or email

We are coming out of lockdown but now we have 'test and trace'. Inevitably this will mean that some people and families will have to isolate. Maybe you were not in one of the groups who had to isolate before? Maybe you have never had to ask for help during lockdown? Maybe you don't even know what help is available? We are still operating our village champions and the helpline and will continue to do so.

Or maybe you are no longer able to volunteer as a street champion because you have to go back to work? Call the helpline and we will find a village champion to fill in for you for the short or longer term.

**Call the Goring and Streatley Villages Helpline – 01491 525 639**  
or talk to the Emergency Response Coordinator – Nikki on 07787 376156 or Lynn on 07928 857 549.
