Special procedure for ordering and collecting repeat prescriptions:

SELF-ISOLATING? USING A STREET CHAMPION TO PICK UP YOUR PRESCRIPTION?

This applies to you if your doctor is at Goring surgery and your prescription is being dispensed at Lloyds Pharmacy, Goring. **NB:** If you collect your own medication then you DO NOT need to follow this procedure.

PLAN 7 DAYS AHEAD! It may take 7 days for your medication to be ready after dropping off your repeat prescription at the pharmacy. The pharmacy is dealing with many more prescriptions than usual and so there can be long queues. There also may be a shortage of your medication or other reasons why it may not be ready as usual.

Please do not ask anyone to pick up your prescription unless it is 7 days since you dropped it off (or ordered it online).

NB: This pharmacy is not part of the 'Late Night Pharmacy Rota Scheme'.
