This issue reports on the latest Covid-19 Information

TIER 2 RESTRICTIONS FROM WEDNESDAY 2 DECEMBER, 2020

LOCAL UPDATE – COVID-19

from
The Helpline

Goring, Streatley and South Stoke go into Tier Two restrictions from 1 minute past midnight Wednesday morning (00.01). The rules will change at that time.

LATEST RULES

To get the latest rules go to: [Tier 2: High alert](#)

Please check the link for the full guidance. Key information for households is as follows:

- you must not socialise with anyone you do not live with or who is not in your support bubble in any indoor setting, whether at home or in a public place
- you must not socialise in a group of more than 6 people outside, including in a garden or a public space – this is called the ‘rule of 6’
- you can continue to travel to venues or amenities which are open, but should aim to reduce the number of journeys you make where possible
- if you live in a tier 2 area, you must continue to follow tier 2 rules when you travel to a tier 1 area. Avoid travel to or overnight stays in tier 3 areas other than where necessary, such as for work, education, youth services, to receive medical treatment, or because of caring responsibilities. You can travel through a tier 3 area as a part of a longer journey.
- *If you can't get on-line, ring the helpline (01491 525639) and we can read the new guidance to you or print you a copy.*
